Subject: Taiwan USCIS Issue

This material is distributed by Park Strategies, LLC on behalf of the Taipei Economic and Cultural Representative Office in the United States. Additional information is available at the Department of Justice, Washington, D. C.

Dear Chris,

I tried to reach you via telephone earlier this morning, but you were unavailable. We represent the Taipei Economic and Cultural Representative Office ("TECRO") in the United States, for which we are registered agents under the Foreign Agents Registration Act. I was hoping to speak with you concerning the status of an inquiry that was made of the US Citizenship and Immigration Services ("USCIS") related to the alleged improper dissemination of personal information belonging to Taiwan's new cabinet members. I understand that a number of months have passed since the USCIS initiated an inquiry concerning the allegations and that, since that time, TECRO has not been contacted regarding said inquiry. I would be deeply appreciative if you would contact me at your earliest convenience to discuss whether there is any information that your office is in a position to share with us and/or TECRO with respect to the issue.

You can reach me at the below contact information.

Best regards,
Chris.
